

## **Jacky's Weekend Work Allowance policy and procedures (Exhibitors/Service Engineers)**

### **1. Purpose:**

The purpose of this document is to set out Jacky's policies and procedures relating to additional work allowance during weekends (Saturday/Sunday) and during events or exhibitions.

### **2. Scope:**

This policy and procedures apply to all employees of Jacky's Group U.A.E.

### **3. Responsibility:**

The overall responsibility of ensuring compliance of this policy and procedures lies with the respective Department Heads.

### **4. Weekend Work allowance ( for Service engineers working with Prior approval of the HOD only)**

If the work performed by a Service engineer of a particular department is of such a nature that he/she needs to perform the work during a weekly off (Saturday/Sunday) or during a Public Holiday, **he/she could either be paid AED 100 per day as an allowance or he could claim a Compensatory Off in Lieu of the work done on the particular day** (at the discretion of the employee). This is not applicable in case of employees who are been remunerated for this separately, e.g., where employees have Fixed overtime included into their salary. In case the employee wishes to avail a compensatory off then he/she would need apply the same as per the Jacky's Comp Off policy requirements mentioning the date against which the compensatory off is applied (whether a Saturday or Sunday or any day of public holiday where employee has worked).

## 5. Travel within Emirates

An employee who works in **other emirates** as Abu Dhabi, Fujairah, Ras Al Khaimah, Umm al Quwain other than Dubai, Sharjah and Ajman on (Saturday or Sunday) or during a Public Holiday, then would be reimbursed with the actual reasonable expense he incurs for travel as approved by the respective HOD. If an employee holds a company car or fuel card, then this will not be applicable.

The employee has to produce all the original receipts within two working days of any such travel.

## 6. Exhibition Allowance

Exhibitions form a very important aspect of our business and employees might be frequently asked to work at exhibition sites in UAE.

An allowance of AED 100 is paid to any Service engineer who works in an Exhibition **on a weekend**, and AED 50 for an Exhibition held **on a week day** (Subject to HOD/ Management approval)

**This allowance paid as “Exhibition allowance” on a weekend (Saturday and Sunday) would not be additional to Weekend Work Allowance.**

This policy is applicable where food allowance is not separately provided. If food allowance is provided then Exhibition allowance will not be applicable and Service team will get AED 50 on weekday for the same.
