

Jacky's Business Travel Policy and Procedures

1. Purpose:

The purpose of this document is to set out Jacky's policies and procedures relating to overseas travel for business / official purposes and the reimbursement of expenses incurred during such trips.

2. Scope:

This policy and procedures apply to all employees of Jacky's - Sheikh Zayed- Curve Office, U.A.E.

3. Responsibility:

The overall responsibility of ensuring compliance of this policy and procedures lies with the respective Department Heads.

4. Overseas Business Travel Policy:

As a part of their duties and responsibilities, certain employees need to undertake overseas business trips. Such trips should be made only when it is really necessary for the conduct of company's business. Company will reimburse the employees with the actual cost of expenses incurred wholly, exclusively and necessarily in the performance of their duties during the trip. Employees are expected both to minimize costs without impairing the efficiency and to avoid any unnecessary costs to the company.

5. Overseas Business Travel Approval:

Overseas travel needs to be planned at least two weeks in advance, except in case of emergency. Concerned employee needs to fill up the Business travel Request on HR net mentioning the name of the Country, purpose of travel and dates planned for the trip and forward the same to the Department Head for his approval.

6. Passport / Visa:

Employee traveling abroad must ensure that he holds a valid passport and obtains necessary visa in advance. If required HR Department will assist the process by providing the necessary documents such as salary certificate, reference letter, etc. for obtaining the visa. If visa is available on arrival employee should ensure that his passport and resident visa have appropriate validity for acquiring the visa. The costs of obtaining visa can be claimed on submission of original receipt, if it is obtained specifically for business purpose.

The cost of any unavoidable medical expenses (e.g. vaccinations) incurred specifically for overseas business trip also may be refunded on submission of original receipt. However, employees should be aware of the terms and conditions of the group's insurance policies, as applicable.

7. Overseas Business Travel:

Travel plans need to be made in such a way that stay in the foreign country during business holidays are avoided. Also, in case of short trips for few hours, steps should be taken to avoid overnight stay in the foreign country.

For other destinations, only budget airline should be used and if this is not available or practical, travel should be by economy class in a cost-effective airline.

If business class travel is required due to some emergency or unavailability of seats, prior management approval needs to be taken.

Employees making overseas travel need to forward duly filled up HRNET, approved by the Dept. Head and Management, to HR Dept. for ticket booking, at least ten days in advance (except in case of emergency).

8. Overseas Accommodation:

Employees making overseas business travel needs to do their hotel booking in advance.

in case of accommodation for more than EUR 100 per day (including taxes and service charges) in Europe or USD 100 within GCC and USD 120 per day in other countries, prior management approval needs to be taken.

In case of countries where we have our group offices such as Hong Kong, Singapore, Bangladesh, Kenya, Tanzania, Uganda, Delhi, etc, accommodation assistance can be sought through those offices.

Economical single room needs to be used if the employee is travelling alone and economical double room needs to be used if two persons are travelling together.

9. Business Travel Advance:

Employees undertaking overseas business travel may request for a travel advance for an adequate amount in the local currency of the country to be visited or in USD or EUR, as the case may be. Travel advance should not be taken in AED except in case of travel to GCC countries.

For the purpose, they need to fill up the Travel Advance Request Form, provided in Annexure – I, obtain Management Approval and forward the same to Accounts Department to organize the same, at least two days prior to the date of travel.

10. Travel to and from UAE Airport:

Employees need to use economic mode of transport to travel from residence / office to UAE air-port for overseas travel in the beginning of the trip and back at the end of the trip. These expenses will be reimbursed on submission of original supporting document.

Parking fee at the U.A.E. airports will not be reimbursed.

11. Overseas Business Travel Allowance:

Employees on overseas business travel are eligible for a Travel Allowance as mentioned in Annexure – II, for a full day. **In case duration of travel during a day is less than 12 hours, travel allowance is paid at half rate.**

Business Travel Allowance covers expenses towards breakfast, lunch, dinner, water, beverages, snacks, laundry, ironing, toiletries, news-paper & periodicals, tips, personal telephone calls, entertainment, etc. and applicable services charges or taxes on these.

Employees should not claim any of these amounts in addition to the overseas travel allowance. If some of these expenses are billed together in the accommodation bill, these need to be reduced from the same, while submitting the claim.

12. Local conveyance at the Country of visit:

As far as possible, economic mode of transport needs to be used. Taxis should be used only if it is really necessary. A detailed statement of conveyance expenses showing origin and destination, purpose of travel along with all possible supporting documents needs to be submitted along with the claim.

13. Telephone and internet expenses at the Country of visit:

Employees should minimize telephone calls by making use of e/emails, chats, SMS, off peak rates, etc. Department Heads need to organize local prepaid SIM card of a particular country, if their staff needs to travel there frequently and if it is economical. Also, internet facilities of the business associate need to be used for e/emails or web browsing.

In case of inevitable situations where telephone calls were made, expense claim needs to be submitted along with supporting document, person who was called and purpose of call.

14. Hospitality Expenses:

Hospitality expenses such as lunch / dinner with or gifts to business associate can be incurred only by Managers and above. In such situations, alcoholic beverages need to avoid, where possible.

Prior Management approval needs to be taken for any such expenses above USD 100/-

15. Expenses disallowed:

Any expenses not covered above cannot be claimed. If any employee needs to incur and claim any such expenses in an unusual circumstance, prior Management approval needs to be taken.

Expenses of a personal nature such as sight-seeing expenses, Pay per view or Video Charges, mini-bar drinks, etc. cannot be claimed.

Any fines incurred during the trip are the responsibility of the employee and cannot be claimed.

16. Expense Claim:

Employee need to submit the Business Travel Expense Claim Form given in Annexure – III, along with **itemized** supporting documents, to Accounts Department, within two working days of return from the trip, after getting it approved by the Department Head. Also, refund of travel advance taken in excess of expenses actually incurred, need to be made along with the same.

In general, reimbursement will be made only for the eligible expenses that are supported by receipts or invoices. Just credit card slips are **not acceptable** for this purpose.

If receipts are genuinely unobtainable, claims **may** be allowed depending on the circumstances. In such cases, full details of the item must be provided including (a) the date of purchase, (b) the nature of the item and why it was required, (c) from whom and where it was purchased and (d) the cost of the item. The decision on allowing such claims will rest with Accounts, whose decision will be final. However, for expenses above USD 30, original receipts must always be provided or the item will be disallowed.

Expenses or purchases **not directly related to** overseas travel incurred just before or during the travel should be claimed separately and not along with the travel expense claim.

Expenses incurred in Foreign Currency needs to be converted into AED at the appropriate exchange rates, as advised by Accounts Dept. Money exchange slips also needs to be submitted along with the claim.

Expense Claim Form needs to be signed by the employee seeking reimbursement, certifying that he is claiming it according to his eligibility as per the Jacky's Business Travel Policy and Procedures and all the expenses are incurred for business purposes. The claimant's Department Head is also required to certify that the claim is true and correct.

Reimbursement of expense to the employee will always be made in AED, at the appropriate exchange rate, after Management approval.

17. Business Travel Report:

Employee need to submit a detailed Business Travel Report, to the Department Head with a copy to the Management.
